## PREFATORY.

N. B.—For convenience of reference a number has been assigned to each member of the family. Figures in ( ) indicate the American generation, reckoning as first, John the immigrant of A. D., 1681.

C. stands for child or children, b. for born, m. married, and d. died. The P. O. address is under the name. To trace from individuals to their families, find their number on the left hand margin, then turn on till the same number is found again in the middle of a page. To trace backward reverse the process.

The central person of these records is William (6), No. 50. Those who precede are simply to show his ancestry, and following him is as full a record of his descendants as I have been able to obtain. I take pleasure in acknowledging my special obligations, for assistance in the early records, to Hon. Wm. P. Sheffield of Newport, R. I., and in later records to each of those who have acted as secretaries for the families to which they belong.

Notwithstanding all the care and painstaking correspondence, I am well aware that many errors and omissions will be found. In this respect I wish to ask a special favor, which I trust that no member of our family will be unwilling to grant, that is, if there is positive proof of any error or omission, that it be reported to me or to my son Wm. John, as soon as possible; and, if reference is made to any one in these records, that care be taken to give the number with the name. I would further request that any changes in P. O. address, and every birth, marriage and death, with the *time* and *place*, be reported at once, that at some future time a more complete edition may be issued. I would also recommend that this branch of the Sanford family continue the custom of appointing a registrar to whom all these reports shall be made, and that a corrected edition be issued, once in about twenty-five years.

Two extra copies of the present edition will be mailed to any address upon the receipt of one dollar.

## HISTORICAL.

About the middle of August, 1631, John, the son of Samuel and Eleanor Sanford, of Alford, Lincolnshire, England, sailed for America, in the ship Lyon, Captain Pierce, in company with John Eliot the missionary to the Indians, John Winthrop Jr., afterwards governor of Ct., and others. They arrived out of Boston harbor, on Nov. 3d, and after two days landed in the new world. A few items from the colonial records will be of interest to his descendants.

Before the close of the year he was recorded as a church member. Aug. 6, '33, he was chosen to oversee the building of cart bridges over Stony and Muddy rivers. May 14, '34, appointed to examine the condition of the ordnance, powder and shot.

Sept. 3, '34, he was chosen cannoneer for the Port of Boston, and for two years service already rendered at said Port, and for one year to come he was allowed £20. Sept. 8, '36, he was allowed £10 for service the year past. Oct. 28, '36, again appointed cannoneer and surveyor of the arms and ammunition, salary £30 for himself and man. Nov. 2, '37, discharged and allowed £18, 6 s., 8 d., for the year past.

Nov. 20, '37, he and others were ordered to deliver up all guns, pistols, swords, powder, shot, etc., because "The opinions and revelations of Mr. Wheelwright and Mrs. Hutchinson have seduced and led into dangerous errors many of the people here in New England." Being allowed to leave the colony they went to Portsmouth, R. I., where on March 7, 1638, he and eighteen others signed the following compact: "We, whose names are underwritten, do hereby solemnly, in the presence of Jehovah, incorporate ourselves into a Bodie Politick, and, as he shall help, will submit our persons, lives and estates unto our Lord Jesus Christ, the King of Kings and Lord of Lords, and to all those perfect and most absolute laws of his, given us in his holy word of truth, to be guided and judged thereby."

May 18, '38, at a general meeting of the inhabitants, it was ordered that the meeting house should be set on the neck of land that goes over to the main island, where he and John Coggeshall shall lay it out. May 20, '38, he had six acres allotted him north of the great cove.

June 27, '38, he and four others were appointed to repair highways. 1640, constable; Mar. 16, '41, Freeman; '44, Lieutenant; '47-'49, assistant; '53, President of Portsmouth and Newport.

His will was dated June 22, 1653,—proved in the same year. His wife Bridget was exx., and the overseers, Brother-in-law Edward Hutchinson of

Boston, and friends Richard Tew of Newport, Richard Borden, Philip Sherman and Edward Fisher of Portsmouth, and his son John Sanford.

To son John certain land and the ferry, the old house, half the cook room, and two houses on the south side of a certain path, all to him and his heirs male, failing of which, testator's son Samuel shall have, and so on. To John also great roan mare, besides one of his own, a negro man and wife, four oxen, two cows, the great ferry-boat, five ewes and five ewe lambs and a sow, a feather bed, cutlass, great fowling piece, etc. To son Samuel forty acres of land at Black Point, four oxen, two cows, brown mare, five ewes, five ewe lambs, a sow, a Spanish gun, sword, belt, best cloak and hat, feather bed and great Bible. To daughter Eliphal £100, of which £60 to be hers at marriage and £40 at her mother's marriage or death. To daughter Annie £60 at marriage. To sons Samuel, Peleg, Restcome, William, Ezbon and Elisha rest of the estate. The hay and corn on the ground for cattle and family. And I do bequeath my children unto my wife, next unto God, entreating that they may be carefully provided for and tenderly brought up as hitherto they have been, and that they may be well educated and brought up in the fear of the Lord. To overseers a ewe lamb. Inventory £824 11s. 1d. viz : 60 pounds gunpowder, £94 10s.; 84 lbs. shot, £1 1s.; 8 pairs men's shoes and a pair of women's shoes, £1 16s.; 16 trading hatchets, peage £58 10s., (8 per penny), carpet, cupboard, cloth, stuff cloak, long cushion, corselet wanting the gorget, seven chairs, table, form, cradle, books £2. Nov. 20, 1653, his widow took receipts of John and Samuel for legacies.

Oct. 17, 1668, his widow, now wife of Wm. Phillips of Boston, took receipt of Bartho Stratton, husband of her daughter Eliphal for legacy. June 17, 1670 she took receipt from son Ezbon for his share of the estate. Her will was dated Sept. 29, 1696. Proved Aug. 18, 1698. Exrs. daughter Eliphal Stratton and sons Samuel, and Wm. Phillips. In this she makes bequests to the above children and to son Peleg Sanford, to grandson Wm. Stratton, to daughters Sarah and Deborah Phillips, and to granddaughter in England, daughter of son Esbon, to Elizabeth, wife of grandson Wm.

Stratton, to children of her three sons and daughter, to granddaughter Ann Atkins, and her daughter Ann, and her daughter Eliphal, to granddaughter Bridget Ladd and her daughter Bridget, to grandson Wm. Stratton's daughter Bridget and great grandson Edward Ladd.

Of John Sanford (2), the son, we have these records : Freeman, May 17, 1658; General Treasurer 1655-'64, Commissioner 1656-'68, General Recorder 16 years between 1656-'76, Attorney General '68, '84, '70, '71 ; Deputy 16 years between '64 and '86, Assistant '64, '65 and '80. Aug. 10, '67, he enlisted a troop of horse.

May 7, '78, on Committees to treat with the Indian Sachems ; Apr. 4, '76, he and three others appointed to take the census of R. I., and on committee to have care of a barrel of powder for Portsmouth, and see that two guns now in yard of Wm. Brenton, deceased, be placed in Portsmouth, one on Ferry neck, and the other near the house of John Borden. Oct. 31, '77, he and 47 others were granted 5,000 acres, to be called East Greenwich. Dec 22, '86, apprized of his appointment by Sir Edmond Andros as member of his council.

Samuel (3) son of John (2) is found living at Tiverton, and mentioned as a weaver. His will was made Dec. 27, 1737, and proved and recorded at Taunton, Mass., Sept. 19th, 1738. He gave his real estate to his sons to be divided by themselves. To his daughters Mrs. Mary Taber and Mrs. Eliphal Hart, he gave £15 each—probably besides dowry at marriage. The sons being unable to agree the division was given to arbitrators, one of whom is mentioned as their uncle John Manchester, Tiverton. Restcome, the oldest, received his share adjacent to and parallel with the Dartmouth town line, and his brothers westerly from him. From the description—see deeds, Liber 27, p. 487 Taunton—Samuel had a large estate.

Restcome (4), eldest son of Samuel (3) was Justice of the Peace and Town Clerk of Tiverton in 1768.

William (5) son of Restcome (4) was a house carpenter. He purchased land in Tiverton, where he was living, of Elijah Allen, Jan. 4, 1782 ; recorded at Taunton, Liber 60, p. 447.

William (6) son of William (5) lived in Tiverton about a mile north of "The Head of the River," afterwards called Adamsville. The house was on rising ground west of the road. From the top of a large rock S. W. of the house the sea or river could be seen. He removed with his family about May, 1797, to New York State. They came up the Mohawk by scow boats pushed by setting poles. From Utica they went with teams to the old farm which had first been taken up by Thomas Brownell Simmons, though squatters had made two small clearings, one of which was called Teller's chopping. Captain Niles had been on a farm farther north a year or two. They built a log house on the east side of the present road and in about one year they moved into a house of split basswood logs on the low hill at the south east. The present framed house was built about 1806.

The nearest village was the "Indian Opening" west of Madison village. A great part of the county was called Hamilton and the towns were called by number, 1st, 2d, etc. When they were named, Hamilton was given to the 4th, also called Payne Settlement. From the old home the children have scattered over the United States as the following records will show.
